# *"Epistles"*

*June 2020*

*Volume 36 No. 8*

I grew up playing sports. I loved playing football, basketball, baseball, and any other sport which involved hitting, throwing, catching, tossing, or watching a ball. The one basic and fundamental advice that came with playing all of them was: keep your eye on the ball. It seemed like such an elementary thing to do I wondered why my dad and my coaches were always repeating that same thing no matter what level I was playing at. "Keep your eye on the ball" was their way of highlighting that one needs to keep their attention focused on that which is important, that which matters.

In our Lord's church, it is the same. There is the one thing that matters most because all other things flow from it and are given their meaning by it. And that is Christ crucified and risen from the dead. The Holy Spirit who came at Pentecost and now comes to you, grants you faith to keep your eyes on Jesus because He is important. He matters. Keep your eye on the ball. Keep your eye on Jesus.

We are tempted to fix our eyes on other things and that is the devil's goal - to have us consumed with staring constantly at what is happening in the world and having nothing but despair or hopelessness or worry. He wants your eyes off of Jesus who has overcome the world for you. Because seeing what Jesus has done and continues to do for you brings joy.

Baptisms are happening. Forgiveness in Christ is being proclaimed. Saints are being fed bread from heaven. Jesus lives and abides with you. The church will not fall. The gates of hell cannot overcome it. These are things to keep your eye on because these things are Jesus at work. These are Him bringing life and joy. Keep your eye on the ball. Keep your eye on Jesus. Heaven is your home. His favor is for a lifetime. Weeping may tarry for the night, but joy comes with the morning. We cry, "Lord, help us!" and He is quick to save, drawing our eyes back to Him and the gifts He desires to give us.

Some men came to Phillip and said, "Sir, we wish to see Jesus." Let this be our prayer also. That our Lord would keep our eye on the ball, on Jesus crucified and risen, that we may all rejoice together in the full forgiveness of our sins and the joy which accompanies the blessed life in Him.

In Christ,  
Pastor Suggitt

## Lutheran Early Response Teams

We have people and families in need in our communities. Because of the pandemic, it has been difficult for volunteers to get out and assist those in need. However, there are some things we can do right now to help. We are in need of more Flood Buckets and Hygiene Kits. If you are able to assist with gathering the materials and assembling buckets and/or kits, please use the list of items below.

We understand masks are difficult to obtain, and you are not required to put masks in the buckets. We will have volunteers picking up assembled buckets/kits on June 18th and 19th. You can contact Bruce Collins at the following email address to let him know the number of buckets/kits you will have available for pick-up. You can email Bruce or Travis Grulke if you have questions.

## NEW UPDATE CONCERNING SERVICE

We are open for you to attend service. We are *no longer* asking that you register prior to coming. You can simply show up. We will continue to maintain distance within the sanctuary and follow other precautionary measures. If you are still uncomfortable for the time being, please contact Pastor Suggitt to receive pastoral care. The service will still be streamed online and uploaded to the website.

The Lord bless you and keep you and be your shield in all things.

### First Communion and Confirmation

Kaitlyn Reehl, daughter of Norbert and Liz Reehl, will receive the body and blood of our Lord and confess her faith in the triune God on June 27<sup>th</sup> at an 11:00 a.m. service. At the time of setting this date, which is a Saturday, we were still unsure of what might be accomplished in a group setting and desired that the family have an option which would be comfortable to all.

You are welcome to attend this great day for Kaitlyn and her family. May God continue to bless Kaitlyn from now until forevermore!

## Organ Update

Thanks to those who continue to give toward the refurbishing of the organ. It is almost complete! The stoppage of businesses caused a long delay in the work, but it has resumed. There are always a few bugs to work out once things are near the end and we are at that stage now. We would love for all to be in attendance when the day of rededicating the organ arrives, however, the current situation may dictate something different. Therefore we are holding off on a definite date for the rededication and seeing what the next little while brings.

**Special Note:** If you have been watching service online, our organist Faye Error, continues to play the clavinova for each service. She has done so faithfully throughout this whole ordeal and we give thanks for her willingness to put to music the great hymns of the church. Thank you, Faye.

Sunday School: 9:45 a.m.

Youth Catechism: 1:30 p.m.

Since the covid pandemic, we missed about 2 months of Sunday school. I have certificates and treats for each of the kids. I'm planning to make house deliveries the beginning of June. Thanks to all the women who volunteered their time to teach the kids this year. I hope you'll be back again in the fall!

I'm working on a plan to try and do some virtual Sunday school lessons to upload onto the church website. Please be patient. I'm not nearly as tech-savvy as the kids are, so it will be a learning process. I'm hoping to have at least 2 virtual lessons per month for your kids viewing pleasure.

Our church has re-opened with limited seating and extra precautions. Pastor is utilizing Sign-up Genius to reserve your spot. If you can't be in the church each Sunday, you CAN watch church in the comfort of your home. I encourage all families to set a regular worship time.

I miss seeing you all! God Bless you and your family,

Susan Schember  
Sunday School Superintendent

## YOUTH GROUP

The youth group will be selling pumpkins and gourds this fall thanks to Ken Error (who plowed the plot behind the church), Don Parrish (who tilled the plot again right before planting), and Wilma Kovach's family (who planted pumpkins in her garden too).

I planted pumpkins and gourds in the church plot right after Memorial Day. I would like youth group kids to take turns pulling weeds at both places every few weeks until the plants are matured. I'll get ahold of families to make a schedule. We will plan to pick at the beginning of October and hopefully place wagons full of pumpkins and gourds at several places for sale by donation.

I'm also thinking about doing another pre-order soup sale. If I can make it work, are any youth group families interested in taking orders by phone or email? And if so, are parents willing and able to make the deliveries?

I will not be making as many varieties this time – but some kinds are better than no kinds! I'm thinking Chicken Noodle, Broccoli Cheese, and Creamy Potato this time. Call or text me if you want to do this!

I have not made any other Youth Group plans for the summer. Stay tuned as things unfold!

## Family Affair Postponed

Although social-distancing precautions are slowly being lifted, we're still not quite open enough for a big get-together.

Let's tentatively plan for a Fall Family Fun Day (maybe in mid-October).

We will have a bbq, play yard games, and have a bonfire with s'mores!

## Baby Bottle Boomerang

*It's simple & fun!*

*Here's what you have to do:*

- Please take one and fill it with your change/offering toward helping mothers and their babies in our area.
- Pray for Positive Alternatives
- Return the bottle to church

Positive Alternatives has locations in Bad Axe and Caro. We will collect the bottles in the near future. Thank you for supporting this cause.

We are disappointed to report that Vacation Bible School will not be taking place in July.

But, don't fret – we are working on providing each family with an online version of VBS. Each family will be notified once we have a solid plan in place.
