"Epistles"

June 2021

Volume 37 No. 8

The daylight hours have grown longer. This is a welcomed sight along with warmer weather. During the winter, I always seem to get really tired right after dinner but when summer rolls around those cobwebs are easily shaken off by a few more hours of daylight. Longer days mean I can get more things done. It is a welcomed scenario.

It also means more time with my family. The children don't go to bed as early when school is out and Kristen and I can play outside with them until nine or ten o'clock. We love to have more time together because we know before long these children will grow up, leave our house, and, Lord willing, have their own families to grow and play with.

How will you spend your summer? Are there things you're hoping to accomplish? Looking forward to longer days to get that flower bed or garden just right? I hope you have something to enjoy along with your family.

Whatever you have on your to-do list for the next few months, I would like to encourage you to a renewed devotion of taking up God's Word. It delivers the Light that scatters all darkness – Jesus. Not scattering the darkness for just a few months of the year but throughout your whole life in Him. Among your plans this summer, make devotional time one of your top priorities. Read the Bible, confess the Catechism, pray, and sing hymns. Consider it a welcomed scenario to grow not only plants this summer but more importantly to grow in the one true faith of our Lord. Of all the things you may find important on your list this summer, this is the most important – and doubly so if you have children. They are watching you. They are learning from you. They are watching and learning to see what is important.

Now is the time to grow deep roots because the ever-changing winds of the world are seeking to blow down that which is shallow. Fundamental truths are being hidden under the cover of darkness so as to stunt growth which comes from the Light. The Christian doctrine of creation is replaced by the evolutionary myth that humans are descendants of animals. The unique traits and roles of men and women as given by the Creator are being eroded all around us. The blessing of family and holy marriage as God's bedrock for a good society is under constant attack. A church which holds to God's truth will be tested by the flaming arrows of political correctness.

Therefore, there is no better time than now to take up God's Word, meditating on it day and night and finding delight in the law of the Lord. The one who does that is *like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither* (see Psalm 1). The roots will be deep and keep the Christian firm in Christ as Jesus and His great blessings are continually revealed anew each day. The doctrine of orthodox Christianity will continue to delight and comfort the faithful hearer as they put on the full armor of God against the flaming arrows.

If you are looking for help on how to start or continue a practice of enjoying the Light of God's Word this summer, here are a few places to start:

- Regularly attend the Divine Service. This is the place where Jesus meets you tangibly in His Word read and preached, His Absolution, and His Supper. From this, all other things flow. This is the foundation and absolutely essential.
- Choose an order for your devotional time and keep using it to become familiar with its parts. There are blue sheets in the literature rack in the narthex to aid you in this. Perhaps choose a few solid, Lutheran hymns over the course of this time to know and sing by heart. See Pastor Suggitt for suggestions.
- The Sunday bulletin has readings from the Scriptures laid out in day by day chunks. If you read these for a year, you will have read a great portion of the Bible.
- Take up the Small Catechism. You will never outgrow its truth which is based on Scripture. Commit it to memory once again, part by part. This is important for families with children. They are never too young to begin repeating back to you the Commandments, The Creed, and The Lord's Prayer.
- Use one of the pamphlets in the literature rack titled "A Simple Explanation Of..." to explore God's Word on a specific topic during your devotional time. Spend the summer working your way through all of them.
- Make use of the periodical "The Lutheran Witness" in the narthex for additional casual reading. Our synod's magazine has begun to put together some great issues that keep you thinking theologically with Jesus as the center.
- Attend Bible Study. As we continue to be learners (that's what *disciple* means), we learn to see Jesus and His great truth revealed in His Word. This is where you can safely ask questions and have those roots deepened by the Biblical narrative as the Holy Spirit attends to the Word.

The light of summer is great. The light of Jesus is better. Relish in the light of His Word this summer even as you take up other tasks His beautiful creation brings. Rejoice in the Word which is the power of God unto salvation for it showers us with Jesus who was crucified, raised, and ascended - all for you.

Let the Word of Christ dwell in you richly...
Colossians 3:16

Grace and peace to you,
Pastor Suggitt

It's simple & fun!

The Baby Bottle Boomerang began on Mother's Day and ends on Father's Day, June 20th. There are still bottles left so why not grab one today?

Here's what you have to do:

- Please take one and fill it with your change/offering toward helping mothers and their babies in our area.
- Pray for Positive Alternatives
- Return the bottle to church

Positive Alternatives has locations in Bad Axe and Caro. Thank you for supporting this cause.

Graduate Recognition

High School and College Graduates are invited to wear their cap and gowns to church on Sunday, June 20th. After service, you will be invited to stand in front of the congregation to tell where you graduated and what your future plans are.

A reception with donuts and beverages will be provided in the fellowship hall for everyone!

If your youth group student is in 7th grade or older and they are available, we could really use their help at Vacation Bible School. Volunteers are needed to help keep the littlest kids focused and on-task in class, during craft time and music, and even at recess. Please let me know if your student is free to help!

The pumpkins have been planted. We had 11 kids help plant the seeds after church on May 23rd. The kids were rewarded with ice cream treats after we finished!

We will pull or hoe weeds in the pumpkin patch on Wednesday, June 16th at 10:00 a.m. – 11:00 a.m. The more helpers we have, the faster we will finish. This is a big fundraiser for our youth, so please bring them or encourage them to come help out. Thanks to the nice person who donated the big pail of PREEN to help keep the weeds at bay!

Update from Soup and Sandwich Sale: We raised about \$1,200 on our last fundraiser until this fall. The profits will be divided and donated to: Christian Mundorf, Orphan Grain Train, Pigeon Food Bank, Imagination Library, and St Paul Sunday School. Thanks to everyone for your continued support.

I am planning a go-kart day in Port Austin for Youth Group kids in July. Watch for date and time!

We completed our Sunday School year with Recognition Sunday on May 16th. The 2020/21 Sunday School year was different than we've historically had, but we made it through. It was fun getting to know each family a little better, and it was wonderful seeing the families learning about God's love for us each week.

I am hopeful to have Sunday School in classrooms again this fall, but that is yet to be determined. A decision will be made later in the summer, so stay tuned for plans as they become available! Whether we have individual classes or group classes, we will continue to plan family field trips and activities every 4-6 weeks throughout the school year.

If you are interested in teaching or helping with crafts/activities, or if you have an idea for an outing – please let me know! **MARK YOUR CALENDAR** – Rally Day is tentatively Sunday, Sept 12, 2021.

Vacation Bible School

Come Follow Jesus at VBS June 14-17th 5:30 p.m. – 8:00 p.m. Bring your kids to hear the Good News from Pastor Suggitt and from their teachers in class, learn some Christian songs, make some cool crafts, have dinner and snacks, and play with friends at recess.

All children are invited to attend –ages 3 years through 6th grade. If you haven't registered yet, please do so asap. By pre-registering, we know how many crafts to prepare and how many meals and snacks to prepare.

We need lots of helpers/volunteers. Volunteers are needed for crafts, music, in-class buddies, counting offering, cleanup and setup, taking pictures, and recess assistance. Please let me know if you can help!

BRING A PLAIN WHITE T-SHIRT. All kids and volunteers will be painting a VBS t-shirt on Monday or Tuesday. Everyone will wear their shirt on Thursday!

The kids will be asked to bring an offering each day. We will have a competition, because it encourages the kids to give AND it is fun! Each day we will weigh the offering to see who brings in the heaviest, and then it will be counted to see who brings in the most \$. Instead of doing Boys VS Girls; this year we will do younger kids VS older kids. The money we raise will be used to help fill The Blessing Boxes that Melissa Deming has placed all over the Thumb. The Blessing Boxes provide food, cleaning supplies, and toiletries to in-need families in our community.

Dinner will be provided each night. Choir will provide dinner and snack on Monday. Ladies Aid will provide dinner and snack on Tuesday. Church Council has Wednesday, and Youth Group will finish with Thursday dinner and snack. Thanks to all of you for feeding the kids and volunteers!

Pray for good weather, as we are planning to have classes and recess outside. Please dress your children accordingly! And... Thursday recess will be WATER BALLOON NIGHT! *If anyone is willing to purchase and fill water balloons – we will need LOTS AND LOTS! Please let me know if you can help us out with that, and how many you will be bringing.*

I'd like to have the kids sing a couple VBS songs for their families on Thursday night at the end of the night. Families are invited to join us 7:50 p.m. – 8:15 p.m. to hear the kids sing to the Lord, and to collect the crafts they made during the week. We will finish the night with Ice Cream for everyone!

I have started a REMIND group for VBS to communicate more efficiently. If you received an invitation to join, please accept, so you can start getting messages.

Contact me for questions, or to register your child, or to let me know you can volunteer, or donate water balloons.

MOTHER-DAUGHTER BANQUET UPDATE:

The 2021 Mother – Daughter Brunch and Bridal Show was a huge success! We had 72 ladies/girls attend. We were also blessed to have some wonderful men help serve, sell raffle tickets, MC, videotape, and cleanup. A big thank you to: Brian, Joshua, and Zachary Schember, Benjamin Engelhardt, Michael Mandich, and Joe Salcido!

Everyone enjoyed a delicious brunch and coffee/tea/hot chocolate bar. The bridal show showcased dresses, photos, and decorations from over 30 different weddings.

This event benefited Positive Alternatives Pregnancy Center in Bad Axe. We collected enough baby items to fill an SUV. We also sold raffle tickets, raising about \$350 which was also donated to Positive Alternatives. Attendees also took home bottles for the Baby Bottle Boomerang. Don't forget to bring your money-filled bottles by Father's Day!

We are still working on editing the video, but once it is completed, we will upload it to the church website for your viewing pleasure!

A Godly Father

A Godly father loves his child
More than words could ever say,
For his heart is like the Shepherd's
As he leads the righteous way.
He knows he shall give an account
To his Lord above one day
For the way he molds that life he holds...
As a yielded piece of clay.

With tender loving care, he trains,
Not sparing his shepherd's rod,
While praying each and every day
For a closer walk with God;
For he knows his child learns much more
By the example he sees,
Than what he is told by one grown cold...
And instructions he receives.

A Godly father knows his days
Are limited with this clay;
While it's still soft and pliable,
He must form it in God's way;
And when he departs for glory,
He'll leave clear footprints behind
For his child to trace and find his place...
In Christ's great kingdom sublime.

"Train up a child in the way he should go; and
when he is old, he will not depart from it."
Proverbs 22:6

LIFE QUOTES

[W]e demand an end to the injustice of abortion. We demand an end to the injustice of human trafficking, pornography, slavery, and the separation of children from their parents. But we do so as confessors. We confess that we are sinners, great sinners, with the culture of death flowing in our veins and pulsing through our corrupted brains. And we confess that only in Jesus is the life we need.
